

Measuring Guide

Waist (At top of waistband)

Measure from one end of the waistband to the other with the skirt laid down flat.

Hip (At 13cm below the waistband)

Measure down from the centre front of the skirt 13cm from below the waistband. Mark that point with your finger then measure across the width of the skirt at that point with the skirt laid down flat. Do not pull open the pleats.

Side Length

(Top of waistband to hem)

Measure from the top of the waistband on one side down to the hemline at the bottom of the same side of the skirt.
